RE: Rock-Tenn Packaging and Paperboard, LLC / Waco Folding Plant closing notice for Permit # 40224 & # 54627

10128/7013

To Whom It May Concern:

Please allow this letter to advise your office of the closing of the Rock-Tenn Packaging and Paperboard, LLC located at 401 Precision Drive in Waco, Texas.

All of the emissions sources will be relocated to other Rock-Tenn Company facilities or sold.

The official notice of the closing was August 3, 2005. Reasons for the delay in this letter was the emission sources, (flexo-graphic and litho-graphic printing presses) needed to be available for inspection for potential buyers. We have now sold these presses.

If you have any questions or if you require a visit to verify the closure, please contact me at 678-291-7709.

Thank you for your office's assistance throughout the many years.

Sincerely.

HECEIVED

On June 6, 2005 the Rock-Tenn Company acquired the manufacturing facility at 401 Precision Drive in Waco from Gulf States Paper Corporation.

The facility has two air permits; Permit #40224 covering flexographic printing, and Permit #54627 covering the offset printing and other operations. A new Core Data Form has been submitted to the Central Registry; a copy of that form is attached to provide the names, addresses, and phones of the new owners.

Rock-Tenn agrees to be bound by and to comply with all existing permit conditions. The ownership change will not change the types of pollutants emitted, nor result in an increase in the quantity of pollutants emitted.

Respectfully,

Peter L. Grill **Plant Manager** Paye 2-546,27.
