Re: Transfer of Allowances  
Broker Account - Multifuels

Dear Mr. Gibbs:

This letter is in response to a Form ECT-2, entitled "Application for Transfer of Allowances," received from Multifuels, L.P., dated January 25, 2006, regarding the transfer of allowances. We understand that Multifuels, L.P., has transferred a total amount of 15.0 tons of vintage 2004 nitrogen oxides allowances to the City Of Houston - Houston Airport System, Regulated Entity Number (RN) RN100217827.

The Texas Commission on Environmental Quality (TCEQ) Mass Emissions Cap and Trade Allowance Registry now reflects Multifuels, L.P., as owner of the following allowances for vintage 2004 and 2005, and the projected annual allocations after 2005.

2004	2005	2006	2007	2008
1,477.2	342.1	0.0	0.0	0.0

These allowances may be transferred or sold to another owner per the requirements of Title 30 Texas Administrative Code § 101.356. Allowances not used for compliance at the end of a control period may be banked for use or trade in following control period.

Mr. Randall L. Gibbs
