## TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

*Protecting Texas by Reducing and Preventing Pollution*

March 23, 2004

Mr. Scott M. Churbock  
Manager  
Enron North America Corporation  
P.O. Box 1188  
Houston, Texas 77251-1188

Re: Transfer of Discrete Emission Credits  
to National Offsets  
DERC Certificate Number: D-1005

Dear Mr. Churbock:

This letter is in response to your Form DEC-4, entitled "Application for transfer of Discrete Emission Credits," received from Enron North America Corporation, dated March 1, 2004, regarding the transfer of Discrete Emission Reduction Credits (DERCs). We understand that Enron North America Corporation has transferred a total amount of 800.0 tons of nitrogen oxide (NO<sub>x</sub>) DERCs from DERC Certificate Number D-1005 to National Offsets.

Enclosed is DERC Certificate Number D-1121 issued to National Offsets reflecting the 800.0 NO<sub>x</sub> tons, of credits from DERC Certificate Number D-1005. Enron North America Corporation's DERC Certificate Number D-1005 is now canceled.

Per your letter and phone conversations with Mr. Brian Anderson, of National Offsets, I am sending you the certificate to forward to National Offsets.

The above-mentioned certificate has been deposited in the Texas Commission on Environmental Quality (TCEQ) Emissions Credit Registry. The certificate may be transferred or sold to another owner for use per the requirements of Title 30 Texas Administrative Code § 101.370 through 101.379. However, the certificate must be submitted to the TCEQ Discrete Emission Credits Registry when ownership of the credits changes.

Mr. Scott M. Churbock

Re: Transfer of Discrete Emission Reduction  
Credits to National Offsets

Please reference the regulated entity number (RN) noted in this document in all your future banking and trading correspondence. The RN replaces the former TCEQ account number for the facility or site.

Thank you for your cooperation in this matter. If you have questions concerning this transaction or need further assistance regarding the banking program, please contact Mr. Ivan Gray at (512) 239-4451 or write to the Texas Commission on Environmental Quality, Office of Permitting, Remediation, and Registration, Air Permits Division (MC-163), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,

Dale L. Beebe Farrow, P.E., Director  
Air Permits Division  
Office of Permitting, Remediation and Registration  
Texas Commission on Environmental Quality

DBF/IKG/bvg

cc: Mr. Brian Anderson, President, National Offsets, Pittsfield, MA

RECEIVED  
MAR 05 2004  
AIR PERMITS DIVISION

Re: Transfer of NOx DERC Certificate Number 1005

Dear Mr. Sun:

As we discussed by phone, enclosed is an executed Form DEC-4 for the transfer of Discrete Emission Credits Certificate Number 1005 from Enron North America Corp to National Offsets. Unfortunately, the original certificate could not be located. Therefore we request that the TCEQ make this transfer without the submission of the certificate. Also, once the transfer is complete, we request that you send the new certificate to Enron so that the commercial transaction can be completed between Enron and National Offsets. Please send the new certificate to:

Enron North America Corp  
Attention: Scott Churbock  
P.O. Box 1188  
Houston, TX 77251

Thank you very much for your attention to this matter. Should you have any questions or require any additional information regarding this request, please contact me directly at 713/345-4623.

Respectfully Submitted,

Scott Churbock  
Manager
