Re: Review of Discrete Emission Reduction
Credits (DERCs) Generation
Project Number: 98176
Trinidad Electric
Trinidad, Henderson County
Account Number: HM-0017-H

Dear Mr. Robinson:

This letter is to notify you of revisions to Title 30 Texas Administrative Code § 101.378 (30 TAC § 101.378), Discrete Emission Credit Banking and Trading. These revisions, adopted on December 13, 2002, now require the Texas Commission on Environmental Quality (TCEQ) to issue a uniquely numbered certificate for all certified DERCs listed in the DERC Registry.

Enclosed is the DERC Certificate numbered D-1056, issued to TXU Generation Company in the amount of 7.5 tons of nitrogen oxide discrete emission credits. This certificate has been deposited in the TCEQ Discrete Emissions Credit Registry. This certificate may be transferred or sold to another owner per the requirements of 30 TAC §§ 101.370 through 101.379. However, the certificate must be submitted to the TCEQ Discrete Emissions Credit Registry when ownership of the credits changes.

Thank you for your cooperation in this matter. If you have questions concerning this review or need further assistance regarding the banking program, please contact Mr. Richard 'Cory' Chism at (512) 239-0539 or write to the Texas Commission on Environmental Quality, Office of Permitting, Remediation, and Registration, Air Permits Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,
