Subject: Re: DEC-4 Rohm & Haas

Prentice,

To keep it as easy as possible and still do what you requested, you can just send another DEC-4 form for the Rohm & Haas portion with only a signature from Rohm & Haas (we do not need a new signature from Exelon - the original form is sufficient for this). You can e-mail the form when ready so we can process as quickly as possible, but please also send a hard copy for the files.

Thanks

Joe,

Per your phone message, here are the options I proposed via the return call/voice message:

* If a formal resubmittal is needed for the Rohm & Haas DERC contribution to the sale, I can work to resolve by completing a new DEC-4 for certificate D-1105. This will take about 5-7 business days as the DEC-4 form requires buyer and seller signatures.

* If the existing DEC-4 is adequate for the Freeport DERC contribution, we can increase certificate D-2734's contribution to cover the entire 150 ton transaction. I can revise the DEC-4 form, email you a copy, and mail today to your attention.

Please let me know. Thanks for your consideration.

Regards,

Prentice
