Dear Mr. Parrish:

The Texas Commission on Environmental Quality (TCEQ) has determined that the above referenced site is not actively participating in the VCP and we are contacting you in order to keep this site progressing in the program.

The TCEQ has not received a reply to the letter dated August 17, 2006, which requested either a VCP Agreement schedule amendment outlining the dates for submittal of future reports and work plans and a letter in response to the TCEQ letter dated February 7, 2006 or a letter withdrawing from the VCP. A copy of the TCEQ letter, previously sent to you, is attached for your convenience. Please forward either a response to the TCEQ's August 17, 2006 letter or a letter withdrawing from the VCP **within sixty (60) days**. **Please note that withdrawal letters must be signed by all applicants to ensure that all parties agree to termination of the VCP Agreement.** Please be advised that failure to provide the requested information by the due date will result in the TCEQ initiating actions to terminate your participation in the VCP. Please continue to reference VCP No. 1853 on the front of any future letters or reports.

Re: Castle Hills Market, 2211 Northwest Military Drive, San Antonio, Bexar County, TX; Voluntary Cleanup Program (VCP) No. 1853

Dear Mr. Parrish:

This letter is requesting an update concerning participation of the above referenced site in the VCP. The Texas Commission on Environmental Quality (TCEQ) prepared a letter dated February 7, 2006, in response to reports submitted with the application on September 30, 2005. The letter requested a response within 30 days from the date of the letter. More than six months has elapsed since the letter was sent. To date, a response has not been received. If you do not intend to continue participation in the VCP, please submit a letter withdrawing from the VCP. If you intend to continue participation in the VCP, the TCEQ requests that a VCP Agreement schedule amendment outlining the dates for submittal of future reports and work plans be forwarded to the TCEQ, along with a response to the February 7, 2006 letter. The amendment to the agreement schedule will require signature by both you, the applicant and a representative of the VCP.

Please forward either a VCP Agreement schedule amendment with a letter addressing the issues from the February 7, 2006 letter or a letter withdrawing from the VCP within 30 days of the date of this letter. If we do not receive either of these items within 30 days, we will begin the process of terminating your participation in the VCP. Please continue to reference VCP No. 1853 on the front of any future letters or reports. Future submittals should be mailed to my attention at the TCEQ, mail code MC 221, at the letterhead address. You may contact me with any questions at (512) 239-6989.

Sincerely,
