RE: **XTO Energy Inc.**
40 CFR Part 60 Subpart OOOO Compliance Report

TCEQ
CENTRAL FILE ROOM

Dear Administrator:

XTO Energy, Inc. (XTO) and its subsidiaries own and/or operate multiple reciprocating compressors within EPA Region 8. These sources are subject to annual compliance reporting requirements as specified in 40 CFR Part 60 subpart OOOO 60.5420(b)(1), (b)(4). Enclosed is the compliance report for the reporting period between October 15, 2016 and October 14, 2017.

The sources 311092 and 2313 are no longer owned or operated by XTO and have been removed from service during the reporting period. We have noted these compressors as "Removed from service" in the Status column and listed the relevant information up to 10-14-2016 or the date of removal whichever came first.

In the event you have any questions or need any additional information, please contact William Payne (Environmental Specialist) at (817) 885-3165 or via email at [REDACTED]

I certify based on information and belief formed after reasonable inquiry that the statements and information in this document are true, accurate, and complete to the best of my knowledge.

Sincerely,

Nina Hutton
Vice President, Environmental Health and Safety
XTO Energy, Inc.
