Dear Mr. Bullard:

This letter is to notify you of revisions to Title 30 Texas Administrative Code § 101.378 (30 TAC § 101.378), Discrete Emission Credit Banking and Trading. These revisions, adopted on December 13, 2002, now require the Texas Commission on Environmental Quality (TCEQ) to issue a uniquely numbered certificate for all certified Discrete Emission Reduction Credits (DERCs) listed in the DERC Registry.

Enclosed is the DERC Certificate numbered D-1038, issued to Crow Landfill TX, L.P., in the amount of 8.0 tons of volatile organic compound (ozone) and 4.0 volatile organic compound (non-ozone) discrete emission reduction credits. This certificate has been deposited in the TCEQ Discrete Emissions Credit Registry. This certificate may be transferred or sold to another owner per the requirements of 30 TAC §§ 101.370 through 101.379. However, the certificate must be submitted to the TCEQ Discrete Emissions Credit Registry when ownership of the credits changes.

Thank you for your cooperation in this matter. If you have questions concerning this review or need further assistance regarding the banking program, please contact Mr. Richard 'Cory' Chism at (512) 239-0539 or write to the Texas Commission on Environmental Quality, Office of Permitting, Remediation, and Registration, Air Permits Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,

John F. Steib, Jr., Director
