RE: Initial source testing of compressor engines being owned and operated by  
Brazos Midstream Operating LLC in Pecos County, Texas and Reeves County, TX

To whom it may concern,

On behalf of Brazos Midstream Operating LLC, we are submitting notification of our intention to perform initial engine testing on assets that are subject to NSPS Subpart JJJJ, Standards Of Performance For Stationary Spark Ignition Internal Combustion Engines, promulgated on 18January2008. EcoTest Energy Services lists required information, including scheduled dates for testing in Addendum A, Table 1 of this letter.

This notification letter is being submitted pursuant to the requirements of NSPS Subpart A, 40CFR60.8 concerning the 30 day test notification requirement, and all testing is being scheduled to take place during a 8-12Jan2018. Should there be any questions regarding this notification, please contact me at 325.348.8070 or via email at [wayne.philpot@ecotest.com](mailto:wayne.philpot@ecotest.com)

Respectfully Submitted,

Wayne Philpot – VP Operations
