Re: Former Marcus Oil & Chemical - Reserve B Site, located at 14549 Minetta Street, Houston, Harris County, TX; Voluntary Cleanup Program (VCP) No. 2999; Regulated Entity No. RN100869601; Customer No. CN605604149

Dear Mr. Wooddall:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the Drinking Water Survey Report addendum (DWSR Addendum), dated November 25, 2019. The DWSR Addendum stated that the private drinking water wells/public drinking water wells identified in the survey report within ¼ mile of the subject property were not located in the field. Additionally, the DWSR Addendum indicates that drinking water for the site and surrounding area within ¼ mile of the known extent of the groundwater contamination is serviced by or connected to a public water supply.

Based upon our review, the TCEQ approves the DWSR.

Please contact me by phone at (512) 239-3044 if you have any questions.

Sincerely,
