Re: Solid Waste Registration No. (86831)
2211 E Division St, Arlington, TX

Response due: April 17, 2009

Dear Robert E Huffman:

A recent records review indicates that we have not received the 2008 Annual Waste Summary for the above registration. As a result, your facility is out-of-compliance with Title 30 Texas Administrative Code Section 335.9(a)(2). Failure to report could result in potential enforcement action.

If your facility is no longer in business, no longer at this location, or no longer generating hazardous or Industrial Class 1 waste above 220 pounds a month, please consider cancelling your registration using the enclosed form.

If you have not submitted the report, please do so by April 17, 2009.

If you have submitted your report, please contact us at the number below.

Thank you for your attention to this matter. Should you have any questions, please contact the IHW Registration Team at (512) 239-6413.

Sincerely,
