Mr. Garcia:

Pursuant to Section 4(e) of the Environmental, Health and Safety Audit Privilege Act, Enterprise Hydrocarbons LP (Enterprise) is requesting a 150-day extension for the environmental compliance audit at its Yoakum Cryogenic Plant facility located in Lavaca County, Texas.

A notice of audit was submitted on August 5, 2019 to cover the period from August 12, 2019 to February 11, 2020. Enterprise does not anticipate completion of this audit within the original six-month period. After reviewing the data collected during the original six-month period, Enterprise plans to focus on certain areas in greater depth.
