Dear Mr. Snelling:

A draft federal operating permit (FOP) and authorization for public notice was sent to you for the above-referenced site on May 16, 2007. Unit FUG-01 was included in the permit. This letter is to notify you that, upon your request, the unit has been removed and a new page listing the table for New Source Review Authorization References by Emissions Unit is included.

The notice should still be published as soon as practical, but no later than 30 calendar days after May 16, 2007.

Thank you for your cooperation in this matter. If you have any questions regarding publication requirements, please contact the Texas Commission on Environmental Quality, Office of the Chief Clerk at (512) 239-3300. If you have any other questions, please contact Ms. Kimberli Evans at (512) 239-1100.

Sincerely,

Jesse E. Chacon, P.E., Manager
