Cedar Hill, Dallas County
Regulated Entity Number: RN100210210
Customer Reference Number: CN600124655

Dear Mr. Byron:

We have received your letter dated March 1, 2004, concerning an ownership/name change for the above-referenced site. We appreciate being informed that Texwood Industries, L.P. is now the owner of the above-referenced site. Our files have been updated to document this change.

We understand that no changes have been made at the above referenced facility that affect the applicable or potentially applicable requirements identified in the federal operating permit (FOP). In addition, you shall maintain compliance with all applicable requirements as defined in Title 30 Texas Administrative Code § 122.10.

A new permit face for the site FOP which includes the updated ownership/name information is enclosed with this letter. Please replace the corresponding page of the site FOP with this new permit face.

Please reference the regulated entity number (RN), customer reference number (CN), and permit number noted in this document in all your future correspondence for the referenced facility or site. The RN replaces the former Texas Commission on Environmental Quality account number for the facility (if portable) or site (if permanent). The CN is a unique number assigned to the company or corporation and applies to all facilities and sites owned or operated by this company or corporation.
