Account Number: HG-0459-J

Dear Mr. Norwood:

The effective federal operating permit (FOP) for Lubrizol Corporation, Boilers/Blending/Storage/Loading area, is enclosed. This FOP constitutes authority to operate the emission units identified in the FOP application.

The FOP includes unit-specific requirements in the Applicable Requirements Summary, as well as general and special terms and conditions which are requirements for individual emission unit(s) and the area addressed in the FOP application. Additional attachments contained in the permit include: Permit Shield and Preconstruction Authorization References.

All site operating permits are subject to public petition for 60 days following the expiration of the 45-day U.S. Environmental Protection Agency (EPA) review. The public petition period for the FOP extends from March 4, 2001 until May 2, 2001. If the EPA receives a valid petition and objects to the referenced permit you will be notified promptly by the Texas Natural Resource Conservation Commission (TNRCC).

It should be noted that from the date of this letter Lubrizol Corporation, Boilers/Blending/Storage/

Loading area, must operate in accordance with the requirements of Title 30 Texas Administrative Code Chapter 122 (30 TAC Chapter 122) and the FOP. Some of the terms and conditions contained in the FOP include recordkeeping conditions, reporting conditions (which includes deviation reporting), and compliance certification conditions. All reports, along with any questions regarding the reports, shall be forwarded to the TNRCC's Houston Regional Office, 5425 Polk Avenue, Suite H, Houston, Texas 77023-1486.

Consistent with 30 TAC Chapter 122, Subchapter C, the permit holder shall submit an application to the Air Permits Division (APD) for a revision to an FOP for those activities at a site which change, add, or remove one or more FOP terms or conditions. The permit holder shall also submit an application to the APD for a revision to a permit to address the following: the adoption of an applicable requirement previously designated as federally enforceable only; the promulgation of a new applicable requirement; the adoption of a new state-only requirement; or a change in a state-only designation.

Thank you again for your cooperation in this matter. If you have questions concerning the review or this notice, please contact Mr. Bryan W. Dixon, P.E., Air Permits Division at (512) 239-1100.

Sincerely,

Jeffrey A. Saitas, P.E.
