This letter is your notice that the Texas Commission on Environmental Quality (TCEQ) executive director (ED) has acted on the above-referenced application. According to Title 30 Texas Administrative Code (TAC) Section 50.135, the ED's action became effective on the date of this letter, the date the ED signed the permit or other action.

For certain matters, a **motion to overturn**, which is a request that the commission review the ED's action on an application, may be filed with the chief clerk. Whether a motion to overturn is procedurally available for a specific matter is determined by Title 30 of the Texas Administrative Code Chapter 50. According to 30 TAC Section 50.139, an action by the ED is not affected by a motion to overturn filed under this section unless expressly ordered by the commission.

If a motion to overturn is filed, the motion must be received by the chief clerk within 23 days after the date of this letter. An original and 7 copies of a motion must be filed with the chief clerk in person, or by mail to the chief clerk's address on the attached mailing list. On the same day the motion is transmitted to the chief clerk, please provide copies to the applicant, the ED's attorney and the Public Interest Counsel at the addresses listed on the attached mailing list. If a motion to overturn is not acted on by the Commission within 45 days after the date of this letter, then the motion shall be deemed overruled.

You may also request **judicial review** of the ED's action. The procedure and timelines for seeking judicial review of a commission or executive director action are governed by Texas Health and Safety Code Section 382.032.

Individual members of the public may seek further information by calling the TCEQ Public Education Program toll free at 1-800-687-4040.

Sincerely,

A handwritten signature in cursive script that reads "Bridget C. Bohac".
