Dear Ms. Robbins:

Thank you for submitting the Expedited Permitting Request form and surcharge to participate in the Texas Commission on Environmental Quality (TCEQ) Expedited Permitting Program. After reviewing the submittal, the project has been accepted into the Expedited Program pursuant to Title 30 Texas Administrative Code, Chapter 101, Subchapter J.

Please be aware that an expedited review requires a high-quality application that provides all of the information, data, and analysis needed to allow a complete review, and an applicant that is exceptionally responsive to requests for clarification and additional data. I am sure that you will provide a high level of commitment, and I can assure you that the TCEQ will match your commitment efforts.

Review the guidance for expedited permitting on our website at www.tceq.texas.gov/assets/public/permitting/air/Guidance/NewSourceReview/epp-in-impl-guide-external-6258.pdf for information on the program.

Ms. Chris Robbins
