Re: Renewal of Air Quality Permit Number: 3926
Friona Parmer County
Customer Number: CN601079783
Regulated Entity Number: RN101968444

Dear Mr. Obrian:

We have reviewed our records for Permit Number 3926 for the Hill Grain Elevator located in Parmer County, Texas. During the review, we noticed that a renewal notification letter dated February 24, 2015 was provided to Friona Wheat Growers, Inc., informing them of the expiration date of September 6, 2015. Since no renewal application was received by the expiration date, this resulted in automatic expiration of this permit. You will need to submit an application for a new permit. To obtain a copy of the Form PI-1 with instructions, please visit the Texas Commission on Environmental Quality (TCEQ) Web site at:

www.tceq.texas.gov/comm_exec/forms_pubs/search_forms.html

Any application submitted by a person/entity who is delinquent on a fee and/or penalty will not be declared administratively complete until the fees/penalties are paid and/or current. Similarly, final action will be withheld by the agency on an application if it is discovered after the application is considered administratively complete that the owner/entity who submitted the application is delinquent on fees and/or penalties until such time as the fees/penalties are paid and/or current. You may visit the agency Web site for additional information at:

Please feel free to contact me at (512) 239-6770 if you have any questions or need further assistance.

Sincerely,
