Re: Renewal of Standard Permit Registration Number: 79067L002
Houston, Harris County
Customer Number: CN603262684
Regulated Entity Number: RN100875194

Dear Mr. Hergenrather:

We have reviewed our records for Registration Number 79067L002 for the Portable Trench Burner, located in Harris County, Texas. During the review, we noticed that a renewal notification letter dated January 25, 2013 was provided to Texas Sterling Construction, Co., informing them of the expiration date of January 30, 2014. Since no renewal application was received by the expiration date, this resulted in automatic expiration of this registration. You will need to submit an application for a new registration. To obtain a copy of the Form PI-1S with instructions, please visit the Texas Commission on Environmental Quality (TCEQ) Web site at:

www.tceq.texas.gov/comm_exec/forms_pubs/search_forms.html

Any application submitted by a person/entity who is delinquent on a fee and/or penalty will not be declared administratively complete until the fees/penalties are paid and/or current. Similarly, final action will be withheld by the agency on an application if it is discovered after the application is considered administratively complete that the owner/entity who submitted the application is delinquent on fees and/or penalties until such time as the fees/penalties are paid and/or current. You may visit the agency Web site for additional information at:

<http://www.tceq.texas.gov/agency/delin/index.html>

Please feel free to contact me at (512) 239-6770 if you have any questions or need further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Baker", followed by a long horizontal flourish.
