Sandra,

Sorry for the delay. I got hold of the application for the compressor station's standard permit and it includes the attached page asking for the cancellation of the PBR after the standard permit was approved. Therefore, please cancel PBR 92068 as was requested on the permit application for standard permit 107690 and change the ownership of the Barilla Draw Compressor Station to Oxy USA WTP LP on Standard Permit 107690 as was solicited in the "Notification of Change of Ownership" submitted on July 11, 2013 (copy attached).

Thanks for your help and let me know if you have any questions.

I asked for confirmation that I might transfer PBR 92068 that was not on your paperwork on July 25, 2013. I have not heard back from anyone. If I do not hear back by September 27<sup>th</sup>, this file will go to the files without action. Thanks.
