Cimarex Energy Co.  
Sharon Crissey No 1 Oil and Gas Facility  
Hardin County  
TCEQ CN601706302; TCEQ RN105632467

Dear Sir/Madam:

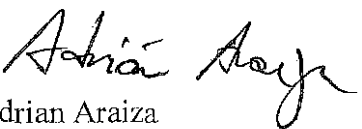

Cimarex Energy Co. (Cimarex) owns and operates the Sharon Crissey No 1 Oil and Gas Facility. While the facility is covered under Permit By Rule §106.352, §106.512, §106.359 & §106.492, it has been determined that this facility is not required to be registered according to environmental regulation in the state of Texas as:

- (1) The facility operates under the 25 tons per year (tpy) of VOC, SO<sub>2</sub>, or PM and less than 250 tpy of CO or NO<sub>x</sub>;
- (2) The engine existing on site is rated less than 240-hp; and
- (3) This site does not handle sour gas.

For this reason, Cimarex hereby respectfully requests that TCEQ administratively void the Sharon Crissey No 1 Oil and Gas Facility Permit by Rule Registration No. 86383. A completed TCEQ NSR Air Permit/Registration Void Request Worksheet is enclosed for your review. Cimarex has enclosed a copy of the PBR Registration.

Should you have any questions or need additional information, please call me at (918) 560-7073. Thank you for your assistance on this matter.

Sincerely,  
Cimarex Energy Co.

  
Adrian Araiza
