Subject: Permit-By-Rule (PBR) Change of Ownership Application

On behalf of SA Recycling LLC, I am submitting a Change of Ownership for a Permit-By-Rule (PBR). The current PBR is held by Newell Recycling Company of El Paso, LP, Regulated Entity No. RN-100581768, Account No. EE-0058M, Permit No. 56088.

SA Recycling LLC will assume operational control of the facility as of June 1, 2014, under a lease agreement with Newell Recycling Company of El Paso, LP. I have enclosed a copy of the lease agreement.

Currently, SA Recycling LLC is not contemplating making any changes to the equipment or to the feed rates. However, if in the future, SA Recycling LLC decides to upgrade the current equipment to make it more efficient and/or to increase production, I will notify TCEQ and I will submit the required applications and emissions information.

In my conversations (via telephone) with the TCEQ personnel (TCEQ Region 6, El Paso), I was informed that all I needed to submit was Form APDG 5857 v4 for a PBR change of ownership. I was also informed that no fees were required for the submittal referenced above.

For your reference, I have enclosed a copy a PBR registration package submitted by Newell Recycling Company of El Paso, LP, on June 16, 2010.

If you have any questions or need additional information, please contact me at (714) 283-6113 or at etorrealba@sarecycling.com.

Sincerely,

Thanks, Elio. In this case, you will get your own RN on this site. If you had some common control with Newell, we would have left you on their site. I can create a new RN and transfer both of these authorizations to the new RN. I'll watch for your Core Data form.

By the way, if you need a Stormwater Permit, they won't transfer ownership anyway. They make you get a new one.

The explanation that I got from my director is as follows:

"The answer is that Newell will have some responsibilities as the landlord, but that SA will be able to conduct all of its business activities without relying on Newell."

I hope this helps.

No, but they still own the site and the equipment, which SA Recycling may buy in the near future. Currently, we just lease the site and the metal scrapping equipment.

Thank you so much for the reminder Sandra.

BTW, If SA Recycling decides not to take over the responsibilities of the UST located at the El Paso facility, do we need to submit additional applications? SA Recycling, does not plan to use the UST. We rather leave the UST under the responsibility of Newell Recycling Company of El Paso, TCEQ RN-100581768.

I figure that we would want to take over the responsibilities of the on-site sewage facility permit and the Stormwater permit, but I still don't have confirmation from our Stormwater Manager, Lindsay Maine. We'll keep you posted on these two items. Lindsay is currently on leave. She'll return in about a week.

Thank you.

Hello Sandra,

You are correct. Terry Adams is the Responsible Official (RO) of record.

As discussed, please transfer both PBR Registrations (56088 and 76831) to the SA Recycling LLC name.

Additionally, as you indicated during our telephone conversation, I will not be sending the TCEQ Core Data Form to you until after the lease agreement on the site becomes official, after June 1, 2014.

✓ I will let you know about the On-Site Sewage Facility permit, the Petroleum Storage Tank Registration, and the Stormwater permit after I have a chance to discuss it with our director, Terry Adams, and our stormwater manager, Lindsay Maine.

It was a real pleasure speaking with you. Should you need additional information, please let me know.

Thank you so much for your help.

I have your Change of Name/Ownership form, but you did not fill in the name of the RO. Please give me that information. We don't use a Technical Contact for Changes of Ownership.

You listed Registration 56088 on this form, but there is a second active PBR – 76831. May I also transfer this Registration?

I also need a Core Data form, which I have attached. Be sure and fill out the entire first page. I will need that information in order to create a Customer Number (CN) for SA Recycling LLC. Just leave the CN space on the form, blank for now. In #23, you might want to change the Registered Entity name (RN). It is currently Newell Recycling. On the second page, please fill out #40 and get a signature. You can fax this form to my attention at 512-239-7130.

Are you also taking over the On Site Sewage Facility permit, the Petroleum Storage Tank Registration, and the Stormwater permit for this site? Please let me know because I will have a few other questions if not. When I complete my paperwork, it will be sent to these other TCEQ programs so they can process a Change of Ownership. They should call you if they need any additional documents.

Thanks.
