Natalia and Sandra,

Thanks for all of your patience and help. Here are our 2 CDF's....one for Pactiv and one for Reynolds. Please fax them to Sandra per her instructions highlighted below.

We'll begin working on the change of ownership to split out our NSR's.

Thanks!

Sure. In that case, I would prepare two Core Data forms to make it easier. That way you can put one company name in the signature block that will match with one signature. Be sure to put a new Regulated Entity name on line 23 of that form and put the reason for this action (at the top of the CDF) as "change of RE name only." Did you decide on a RE Name? It is currently Pactiv Temple Plant and I suggested Pactive-Reynolds Temple Plant, but it can be whatever you want as it is simply a descriptive name.

The sooner I get that, the better. The Title V folks aren't betting that I will get all of this done. ☹️ ~~You can forward the CDF that I attached to them and ask them to fax it to my attention at 512-239-7130.~~ I was told yesterday that the Title V people were still going to change your RE name to Pactive LLC (but only in the Title V database) if they didn't have the CDF by the 10th so the CDF from Pactive would be ideal. Thanks, Andy.

Sandra,

I bounce our conversation points yesterday with our respective corporate folks. They've expressed a desire to have both [Pactiv and Reynolds] local plant managers [RO's] to sign the core data form. Are you OK with that?

Subject: RE: Core Data form - FOP O3628/Project 19906 Reynolds Consumer Products Inc., Reynolds Temple Plant

All,

I spent some time with Sandra Young at the TCEQ this afternoon. To have us separated, we need to do 2 steps...on short term [Core data form], and one longer term [change of name/ownership].

Core Data Form:

We would need to submit 1 form with BOTH of our CN numbers on them [600130702 for Pactiv, and 604065029 for RCP] and 1 RN [10028196]. She said not to add in the other fields for name, etc., since all of that exists for both CN's. Having both CN's on the form will address both companies.

Here's potential controversy #1: In field 23, we would need to have a common site name... This is a non-legal name that simply describes the site. This would allow them to refer to our separate plants [CN designated] at the "Pactiv-RCP site". Here's potential controversy #2: The form would need to be signed by an authority representing both companies. I'm not sure who that person is for our companies at this moment. For the core data form, according to Sandra, the person signing is "not the person who goes to jail" if a violation is assessed [That's where the change in ownership form comes in. More on that later.]

We need to send this soon so that we're making progress in their system. Additionally, Sandra has graciously made herself available if we have follow up questions.

Change in Ownership:

Since we already have separate operating permits [Permit O1312 – Pactiv – Temple Plant; Permit O3628 – Reynolds Temple Plant], RCP would need to use that form in section 6 a and b to pull out our NSR's and claim them for Reynolds as they are all registered under Pactiv at the moment. Rick Villa [Temple RCP plant manager] would sign that one as the "responsible official".

Please let me know what you think as the TCEQ is expecting the Core Data Form "soon".

Thanks!

I looked over the draft CDF Andy DeHart prepared for Reynolds. They want to use the RE Name "Pactiv-Reynolds Temple Plant." I have attached the CDF. Now he will prepare one for the RO at Pactiv to sign. Andy hopes to have both of them signed and faxed to me by tomorrow.

Re: Clarification of Legal Ownership and
Notification of RCP Legal Name Change
Pactiv Temple Plant (RN100228196)
Reynolds Consumer Products Temple Plant (RN106392871)

To Whom It May Concern:

On January 2012, Pactiv LLC (Pactiv) and Reynolds Consumer Products Inc. (RCP) submitted concurrent notifications to the TCEQ indicating that effective January 2012, the former Pactiv Corporation Temple facility was being split into two separate entities. The "Polystyrene" (PS) portion of the former Pactiv Corporation Temple facility was legally transferred to Pactiv LLC, while the "Polyethylene" (PE) portion of the former Pactiv Corporation Temple facility was legally transferred to Reynolds Consumer Products Inc. The required documentation describing these changes was included with the January 2012 notifications to the TCEQ.

Subsequent to the above-referenced submittals, the TCEQ Legal Division determined that the PS Plant and PE Plant are a single site for purposes of federal permitting [30 TAC 122.10(27)], as there is common ownership of Pactiv and RCP. Each plant can continue to have individual Title V and State Air Permits, but the common owner/parent company would need to be listed on the appropriate TCEQ documentation (i.e., Core Data Forms).

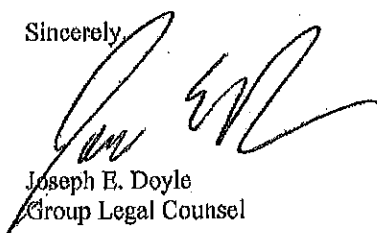

The appropriate parent company of Pactiv and RCP is Reynolds Group Holdings Inc. (RGH). However, TCEQ indicated that RGH could not be entered into their database until it was registered with the Texas Office of the Secretary of State. Because an existing corporation was registered in Texas with a name similar to Reynolds Group Holdings, RGH registered with the Texas Office of the Secretary of State under the name "RGHL, Inc." – see Attachment 1.

Pactiv and RCP have updated their Core Data Forms to reflect the common parent company (RGH) – see Attachments 2 and 3. Please update your records accordingly.

Please note that the RCP Core Data Form also includes the new legal entity for this facility, which is Reynolds Consumer Products LLC. This change is effective on March 1, 2014.

If you have any questions regarding this submittal, please contact me at (847) 482-2409.

Sincerely,

Joseph E. Doyle
Group Legal Counsel

RE: Reynolds Group Holdings Inc.
File Number: 801919156

It has been our pleasure to file the application for registration and issue the enclosed certificate of filing evidencing the authority of the foreign for-profit corporation to transact business in Texas.

Unless exempted, the foreign entity is subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the entity at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the foreign entity. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>.

The registered foreign entity is not required to file annual reports with the Secretary of State. An application for amended registration must be filed with the Secretary of State if the foreign entity changes its name, changes the purposes to be pursued in Texas, or changes the assumed name it elected to use on its application for registration. It is important for the foreign entity to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in the revocation of the entity's registration by the Secretary of State.

If we can be of further service at any time, please let us know.

Sincerely,

Re: Clarification of Legal Ownership and
Notification of RCP Legal Name Change
Pactiv Temple Plant (RN100228196)
Reynolds Consumer Products Temple Plant (RN106392871)

To Whom It May Concern:

On January 2012, Pactiv LLC (Pactiv) and Reynolds Consumer Products Inc. (RCP) submitted concurrent notifications to the TCEQ indicating that effective January 2012, the former Pactiv Corporation Temple facility was being split into two separate entities. The "Polystyrene" (PS) portion of the former Pactiv Corporation Temple facility was legally transferred to Pactiv LLC, while the "Polyethylene" (PE) portion of the former Pactiv Corporation Temple facility was legally transferred to Reynolds Consumer Products Inc. The required documentation describing these changes was included with the January 2012 notifications to the TCEQ.

Subsequent to the above-referenced submittals, the TCEQ Legal Division determined that the PS Plant and PE Plant are a single site for purposes of federal permitting [30 TAC 122.10(27)], as there is common ownership of Pactiv and RCP. Each plant can continue to have individual Title V and State Air Permits, but the common owner/parent company would need to be listed on the appropriate TCEQ documentation (i.e., Core Data Forms).

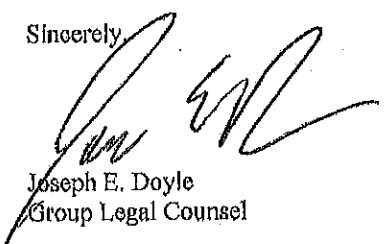

The appropriate parent company of Pactiv and RCP is Reynolds Group Holdings Inc. (RGH). However, TCEQ indicated that RGH could not be entered into their database until it was registered with the Texas Office of the Secretary of State. Because an existing corporation was registered in Texas with a name similar to Reynolds Group Holdings, RGH registered with the Texas Office of the Secretary of State under the name "RGHL, Inc." – see Attachment 1.

Pactiv and RCP have updated their Core Data Forms to reflect the common parent company (RGH) – see Attachments 2 and 3. Please update your records accordingly.

Please note that the RCP Core Data Form also includes the new legal entity for this facility, which is Reynolds Consumer Products LLC. This change is effective on March 1, 2014.

If you have any questions regarding this submittal, please contact me at (847) 482-2409.

Sincerely,

Joseph E. Doyle
Group Legal Counsel

RE: Reynolds Group Holdings Inc.
File Number: 801919156

It has been our pleasure to file the application for registration and issue the enclosed certificate of filing evidencing the authority of the foreign for-profit corporation to transact business in Texas.

Unless exempted, the foreign entity is subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the entity at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the foreign entity. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>.

The registered foreign entity is not required to file annual reports with the Secretary of State. An application for amended registration must be filed with the Secretary of State if the foreign entity changes its name, changes the purposes to be pursued in Texas, or changes the assumed name it elected to use on its application for registration. It is important for the foreign entity to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in the revocation of the entity's registration by the Secretary of State.

If we can be of further service at any time, please let us know.

Sincerely,

RE: Change of Ownership
Reynolds Consumer Products LLC
Pactiv-Reynolds Temple Plant
Bell County, Texas
Customer Reference Number: CN604065029
Regulated Entity Number: RN100228196

To the Agency:

On behalf of Reynolds Consumer Products LLC (RCP), Environmental Resources Management (ERM) hereby submits this notification regarding the Change of Ownership of the polyethylene (PE) portion of the Temple Plant located in Bell County, Texas from Pactiv LLC to RCP. TCEQ's Change of Name/Ownership form (ID 20405) is being submitted to accomplish this notification.

Previously, the entire Temple Plant was solely owned and operated by Pactiv Corporation (now Pactiv LLC). On January 2, 2012, the ownership of the plant was divided between Pactiv and RCP. The polyethylene (PE) portion of the Temple Plant was transferred to RCP, while the polystyrene (PS) portion was retained by Pactiv.

Currently, Pactiv and RCP have their own Customer Number (CN), but share the same RN100228196 for air permitting purposes. On April 9, 2014, Pactiv and RCP submitted separate Core Data Forms requesting to establish a single (Regulated Entity Reference Number) RN name for the Temple Plant, changing the name from "Pactiv-Temple Plant" to "Pactiv-Reynolds Temple Plant". Separate location data for the Pactiv and RCP permits will be held as area information in the Title V and as Additional ID level in the Central Registry.

April 30, 2014
Texas Commission on Environmental Quality
Air Permits Initial Review Team
Page 2

Through this Change of Ownership notification, RCP requests that the existing New Source Review (NSR) authorizations associated with the PE facility to be transferred from Pactiv to RCP. The CN will change to CN604065029 specific to Reynolds Consumer Products LLC, and the RN will remain RN100228196. These authorizations are:

- NSR Permit No. 20229;
- Permit by Rule (PBR) Registration Nos. 23512 and 27068 (Standard Exemption (SE) 118);
- PBR Registration No. 83385 (30 TAC §106.262); and
- PBR Registration No. 96212 (30 TAC §§106.221, 106.261, and 106.262).

The facility also holds a number of claimed PBRs, for which details are provided on Form 20405. These authorizations have been maintained by RCP since the transfer of the PE facility.

RCP is prepared to promptly address any questions or concerns regarding the change in ownership and the NSR authorizations. Please contact Mr. Andrew DeHart with RCP at (254) 770-4274 or by email at andrew.dehart@reynoldsbrands.com with questions.

Natalie,
Since there were Air authorizations that were not accounted for in my Change of Ownership paperwork, I contacted Glenn Rogers to get a more accurate list of authorizations being transferred. Here is the list he gave me. I thought you might want to check with your Air Op permit(s) to see if the owner would match.

It will be sometime late next week before I get to this if that's ok.

Andy,

For Reynolds you have a great cover letter that lists 5 Air authorizations – 20229, 23512, 27068, 83385, & 96212. I believe I now have the paperwork to transfer those authorizations. You also listed the Texas Administrative Code Rules (106...) that apply to these authorizations. We don't need those.

The second attachment was for the Air Op Permit.

The third permit was a Change of Name/Ownership form for Pactiv. There was no matching cover letter, so I want to verify that these are the Air authorizations you want to put in Pactiv's name: 3372, 99578, 95220, and 73812. **Please verify.**

There are multiple other permits/registrations on this site that were not listed in either CoN form. I have attached a list from Central Registry. Please verify that all other permits are where they are supposed to be. **Let me know.**

Thanks, Andy.

Andy,
Natalia only needs the Title V forms. I'll get her a copy of the Core Data forms that I have. She may have imposed a May 1 deadline, but I don't have one on my end. I'm pretty sure Natalia doesn't care when the minor NSR permits get transferred. Whatever date you put on the forms as the effective date, will be the date put into the system – no matter when I get around to actually doing the work.

I have a real signature on the Core Data form, so you can send me the lists and CoN form(s) electronically if you'd like. Doesn't have to be the plant manager as long as the person works there (not a consultant). The CR01 DOES need to be signed by the actual responsible official.

Let me know if that didn't answer your questions.

Apparently, I got confused in terms of who needs what [I understand it to be> Natalia: OP-CRO1, Sandra: COO and CofN]. Natalia told me to let her know if 5/1 couldn't be met....which I said end of week since our plant manager has been traveling. Do I need to scramble for a tomorrow deadline despite the email chain? I have attached it for your reference.... If I have to drive to Austin tomorrow to drop it all off, I can do so if absolutely necessary.

Sandra: Please clarify what form is due on what date and if I can send electronic attachments to satisfy that date with hardcopy follow up via UPS. Thanks.

Cynthia: I need the CoO cover letter and CofN completed ASAP so I can get the signatures. I have the CRO1 you prepared earlier this week. Thanks.

Glenn: Per Sandra's response below, I will need a Change of Name form filled out for your plant as well so as to update the contact information and have it signed by your plant manager. I forwarded a copy of the form to you earlier today. Thanks.

If you want a separate contact for each set, yes, I will need two forms. Don't fill out the Technical Contact – we don't use it for a Change of Ownership.

You do know that I can't change ownership until I get the list of permits to transfer? Weeks end will be past May 1st and that was your deadline. You need to send the list to me. Why does Natalia would need the list?

We are finishing up the CoO form to separate out all of the NSR's, etc., and will be submitting that to Natalia by weeks end [she's aware it's not going to be tomorrow since our plant manager is travelling].

Since both the Pactiv and Reynolds plants have separate contacts, I "assuming" that we need to fill out one of these for each plant....correct?

I was out of the office until yesterday and today I opened your Core Data forms. I also need a Change of Name form (attached) with contact information listed in the RO space. One form is fine as long as the contact person for both requests is the same person.

I also need a list of permits that you want to transfer to each of these CNs.

I see that it needs to be completed by May 1. Get me these things and I'll get it done.
