Sandra-

The official SOS filing name is "IIG MinWool, LLC." I inadvertently omitted the "LLC" below. I apologize for any inconvenience this may have caused.

Have a great day!

Hi Sandra-

Thank you again for taking the time to speak with me. As discussed, IIG MinWool did not have a change in name to Industrial Insulation Group LLC as a result of the change in ownership of the Houston facility in August 2012. As such, please disregard the submittal sent to your attention on August 7, 2012. Since TCEQ does not have a formal paperwork process for filing parent company information, there is no additional paperwork required at this time.

Please do not hesitate to call or email me with any questions or if you require any additional information.

Kind Regards,

Scott,

Someone named Sherry called me on 6/17/2013, regarding the Secretary of State filing number for Industrial Insulation LLC. She said the company was working on it, but it should not have taken over 2 months and I am still not finding a SOS number in the system. Please get back to me on this. This file will go to the files without action on 9/27/2013. Thanks.

Scott
I have your paperwork, but I can't find an active Secretary of State (SOS) filing number for Industrial Insulation Group LLC. The number you put on your paperwork belongs to IIG MinWool, LLC. I must have an active and legal SOS number before I can change ownership. Can you get back to me on this? Thanks.

Dear Ms. Young,

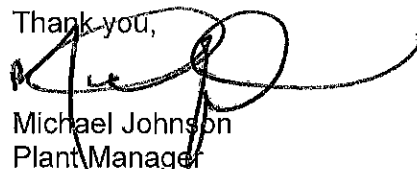

Attached, please find a completed copy of the TCEQ Core Data Form and a completed copy of the TCEQ Change of Name/Ownership Form. We are submitting these documents as a result of a change in ownership of the IIG MinWool, LLC facility at the above referenced address. Johns Manville was formerly a minority member of the LLC, but has recently purchased the interest of the majority member. The name of the facility will now be IIG, LLC and the address of the company will not change.

Also included in this letter, please find a copy of a delegation of authority letter empowering the Plant Manager, Michael Johnson, to sign permit applications, reports, etc.

It is our understanding, based upon a conversation you had with Scott Myers (Johns Manville, Director of Environmental Programs) on August 22, 2012, that these documents and the Delegation of Authority letter are all that is needed to effect this change. If this is incorrect, please let us know and we will submit any additional documentation needed.

Should you have any questions or need any additional information, please do not hesitate to contact Scott Myers at (303) 978-3343.

Thank you,

Michael Johnson
Plant Manager
