Mr. Vazquez,

You put TX SOS Filing number 146371000 on your application, but this is not a Legal/In Use or Active filing number. Here is what I find:

Per your email of January 29, 2013, I will be using CN604257279, which corresponds to ARCELORMITTAL VINTON LLC, for both of these change of ownerships since that CN corresponds with an active Secretary of State (SOS) filing number. CN600127104 (which was on one of your Core Data forms (CDF) as the customer reference number) belongs to Border Steel Inc. and CN603981028 (which was listed on the second CDF) is for ARCELORMITTAL METAL PROCESSING INC, which is listed as an INACTIVE SOS number.

However, for RN100213941, you listed Construction Permit 19935 (which is already in the name of ARCELORMITTAL VINTON LLC), PSDTX1204, and PBR 86364. 1 am also finding Exemption 1672, which was issued in 1985. **May I also transfer this exemption?** Thanks.

Mr. Vazquez...same problem for RN100213941. You also put the SOS number of 146359400 and the legal name I see below for ArcelorMittal Vinton LLC is 801706849. Is this ok too? Thanks. Sandra

Mr. Vazquez,

You put TX SOS Filing number 146371000 on your application, but this is not a Legal/In Use or Active filing number. Here is what I find:
