Sherri,

I have your change of ownership paperwork. First, I wanted to let you know that if you have more Regulated Entity's (RNs), you don't need to send a separate set of paperwork for each RN. Just write "see attached list" in the spot for the RN (on both forms) and attach a list with the RN and its associated permits. If you want to change the RE name, also give me that on the list. On the two RNs that I have, you listed the new RE name as "CCP Composites US LLC." That is NOT the name of the site. The site is a description of "...where the regulated action is taking place." So, one of these might be the Holmes Rd. Facility and the other the 1998 Facility (or something else you choose). The name of the company should not be listed as the site name.

Now to my major problem...I cannot find CCP Composites US LLC listed with the Texas Secretary of State, which is a requirement unless the company meets one of the other provisions listed on the Instructions for the Core Data Form. I have attached these instructions. Last time I changed the name to CCP Composites US, I was able to do so under this provision:

☐ General Partnership

A general partnership is created when two or more persons associate to carry on a business for profit. A partnership generally operates in accordance with a partnership agreement, but there is no requirement that the agreement be in writing and no state-filing requirement. General partnerships are required to file with the county in which they operate. Please submit if you have a sales tax permit.

I received a copy of the paperwork filed with the county for this transaction.

I cannot proceed with this transaction until this is worked out. Please let me know if I can help in any way. Thanks.

Hiya Sandra-

Linde,
I have a Change of Ownership that finally came clear in SOS. Their legal name is CCP Composites US LLC.

In CR, CCP Composites US shows up as CN603974023_with no SOS number or tax IDs.

CCP Composites US LLC shows up in CR as CN604242487. It lists the current and correct tax ID, but no other information.

The CDF they sent shows CN60397402, but I'm afraid to touch it until this gets fixed.

Thanks.

Subject: Change of Ownership for RN100692219

Sherri,

On RN100692219, where it asks to lists all NSR authorizations, you listed only the rules that apply to these air authorizations. Then where it asks to list all FOP's, you listed one air authorization (20601) and one FOP.

Here are the air authorizations that I am finding:

91784
20601
22969
7856A
83830
11874A

May I have your permission to change ownership of these authorizations? Thanks.
