My mistake, please add permit # 31764 to the name change updates. I just forgot to list it on the sheet. Sorry. It is active.

Bobbi,

You were correct about the first one I sent. Sorry, I just didn't see that.

But for RN102464757, you listed Permit 96381 on the list, but the Air database also shows 31764 as an active exemption. In Central Registry, this exemption, in the name of BJ Services Company was end-dated on the same date that 52685, 27253, and 52227 were cancelled (even though 31764 is still in active status). Do you know what's up with this permit? Thanks.
