Re: Transfer of Ownership
Customer Number: CN604162628
Regulated Entity Number: RN102516838
County: HARRIS
Account Number: HG3914I

Dear Mr. Nodecker:

Thank you for the letter received November 13, 2012, notifying us of the ownership change. Your letter states that IMPREGLO SURFACE ENGINEERING INC is now the Owner and Operator of the facility listed above. The following air authorizations have been updated to reflect the transfers.

Permit / Reg. Number	Permit / Reg. Expiration Date	Previous Permittee / Registrant
19127	July 27, 2017	Coating Applicators Corp.
87878	n/a	Coating Applicators Corp.

We understand that there will be no change in the type of pollutants emitted and no increase in the quantity of emissions. As the new permittee of the facility, you have committed to maintain compliance with all air quality regulations of the Texas Commission on Environmental Quality and the requirements of this permit at all times.

While doing these changes and after talking with you, we discovered that RN105222194 into RN102516838 were duplicates, showing the same address, latitude and longitude. They were merged today and RN102516838 is the remaining RN.

Also, you requested a Change of Ownership for RN100597004, but there were no air permits on that site. Your Core Data Form is being forwarded to the other departments involved on that site so they may address the change of ownership.

MR. PHILLIP NODECKER
