CT Corporation System

Austin, TX 78701 USA

RE: BASF TOTAL Petrochemicals LLC  
File Number: 801691640

It has been our pleasure to file the application for registration and issue the enclosed certificate of filing evidencing the authority of the foreign limited liability company (llc) to transact business in Texas.

Unless exempted, the foreign entity is subject to state tax laws, including franchise tax laws. Shortly, the Comptroller of Public Accounts will be contacting the entity at its registered office for information that will assist the Comptroller in setting up the franchise tax account for the foreign entity. Information about franchise tax, and contact information for the Comptroller's office, is available on their web site at <http://window.state.tx.us/taxinfo/franchise/index.html>.

The registered foreign entity is not required to file annual reports with the Secretary of State. An application for amended registration must be filed with the Secretary of State if the foreign entity changes its name, changes the purposes to be pursued in Texas, or changes the assumed name it elected to use on its application for registration. It is important for the foreign entity to continuously maintain a registered agent and office in Texas. Failure to maintain an agent or office or file a change to the information in Texas may result in the revocation of the entity's registration by the Secretary of State.

If we can be of further service at any time, please let us know.

Sincerely,

Corporations Section

Mark,

In follow-up with outside counsel, there is a Texas foreign registration form which BASF is in the process of executing. Once the executed document is filed with the Texas Secretary of State's office, BTP will be an entity of record within a day or two and the below issue should be resolved.

I have copied Erin Brennan on this email, who is managing the process within BASF.

Christina,

Do you know what needs to be done at the Texas Secretary of State office to fix this issue?

"BASF TOTAL operated outside the state of Texas and was "not qualified" to do business in Texas. As a result, SOS did not assign a Filing Number to BASF TOTAL. Without a filing number, I can't change ownership."

Please see email train below.

Mark,

I got your paperwork, but didn't understand the Certificate of Conversion, so I called the Secretary of State and talked to a lady named Carolyn. She told me that BASF Fina was converted to BASF TOTAL, but under the title BASF TOTAL, it said "File Number: [Entity not of Record, Filing Number Not Available]." I asked Carolyn what that meant and she said it meant that BASF TOTAL operated outside the state of Texas and was "not qualified" to do business in Texas. As a result, SOS did not assign a Filing Number to BASF TOTAL. Without a filing number, I can't change ownership.

Let me know what to do, Mark. Thanks.

Sandra,

Thanks for working this issue. Unfortunately, I did not receive the attachment you referenced in your email. However, here's what I've found after some research regarding the change.

**Sabina was first changed to BFLP**

Then BFLP was changed to BTP

I think this probably clears up the confusion. However, please feel free to get back with me if things continue to not make sense.

Mark,  
I have your Change of Ownership request; however, I have a couple of problems.

The Customer Legal name you put on the paperwork is BASF Total Petrochemicals LLC. I cannot find that name in the Secretary of State (SOS) database. The SOS filing number that you put on the Core Data Form (CDF) was 080057741; SOS lists that number as belonging to Sabina Petrochemicals LLC. The Customer number on your form also belongs to Sabina Petrochemicals. I need a **legal, active** SOS number before I can change ownership. Can you help me here?

Also, you listed a couple of permits; however, there are quite a few additional permits on this site. Many of those permits are owned by BASF Fina Petrochemicals LP. Do you not intend to take possession of all of the permits on this site?

Additionally, I need a Change of name form, which I have attached. Please fax this form back to me at the fax number below. Be sure to put my name on the fax. Thanks.

Mark,  
I got your paperwork, but didn't understand the Certificate of Conversion, so I called the Secretary of State and talked to a lady named Carolyn. She told me that BASF Fina was converted to BASF TOTAL, but under the title BASF TOTAL, it said "File Number: [Entity not of Record, Filing Number Not Available]." I asked Carolyn what that meant and she said it meant that BASF TOTAL operated outside the state of Texas and was "not qualified" to do business in Texas. As a result, SOS did not assign a Filing Number to BASF TOTAL. Without a filing number, I can't change ownership.

Let me know what to do, Mark. Thanks.  
Sandra

Sorry, Mark...our email is down and I'm working off a Web version. Here's the form. What about the rest of the permits?

Sandra,

Thanks for working this issue. Unfortunately, I did not receive the attachment you referenced in your email. However, here's what I've found after some research regarding the change.

**Sabina was first changed to BFLP**

**Then BFLP was changed to BTP**

I think this probably clears up the confusion. However, please feel free to get back with me if things continue to not make sense.

Thanks,

Mark,  
I have your Change of Ownership request; however, I have a couple of problems.

The Customer Legal name you put on the paperwork is BASF Total Petrochemicals LLC. I cannot find that name in the Secretary of State (SOS) database. The SOS filing number that you put on the Core Data Form (CDF) was 080057741; SOS lists that number as belonging to Sabina Petrochemicals LLC. The Customer number on your form also belongs to Sabina Petrochemicals. I need a **legal, active** SOS number before I can change ownership. Can you help me here?

Also, you listed a couple of permits; however, there are quite a few additional permits on this site. Many of those permits are owned by BASF Fina Petrochemicals LP. Do you not intend to take possession of all of the permits on this site?

Additionally, I need a Change of name form, which I have attached. Please fax this form back to me at the fax number below. Be sure to put my name on the fax. Thanks.

Mark,  
Now that we got the SOS problem fixed...go back to the first email.

I need a Change of Name form so I have the contact information (RO is all I need). I've attached the form.

I need to know if you want to take possession of all air authorizations on this site (you didn't list them all).

Thanks.

Sandra, that won't be a problem. I think the project is in modeling right now. I'll verify once it comes to us for assignment.

Kristi,  
Let me know I got this to the right place. This Project is un-assigned, but I have a Change of Ownership for the entire site to BASF Total Petrochemicals, LLC. I will need to change ownership on this project if that's ok. Thanks.
