Sandra,

They've delayed working on the Magic ticket until after the end of this FY.

However, Linde was able to find a way to manipulate the system into accepting the Additional IDs on RN105138721.

I was planning on seeing if the Additional ID Contact records, etc. are showing up properly on the "new" AIs, but the system – as you probably know! – is down for now.

So, pending a review of the data that *should* be attached to the AIs, your request may have been fulfilled.

I'll let you know when I've had a chance to look at the data.

The Transfer of Additional ID function in CR will not transfer these two AIs over to RN105138721. I'll need to move them by hand. If they don't have CCEDS or CID data attached to them, this shouldn't take long. If they do, it'll take another few days.

I have your request for this Change of Ownership, but I have a couple of items first. I will need a Core Data Form. I have attached this form for your convenience. You can scan it and return it to me via email or you can fax it to the number listed below.

Also, it appears that you wish to change ownership and then transfer registrations 79837 and 80081 FROM RN100219815 TO RN105138721, but you weren't clear in your request. Would you please get back to me on this? Thanks.

Re: TRANSFER PERMIT BY RULE REGISTRATIONS 79837 AND 80081

Enclosed please find Form 20405 to transfer Permit by Rule (PBR) Registration Nos. 79837 and 80081. On the Texas Commission of Environmental Quality (TCEQ) website, these two registrations are shown as "active" registrations of Eastman Chemical Company Texas Operations (Eastman). Westlake Longview Corporation (Westlake) purchased the polyethylene assets of Eastman in December 2006. On July 17, 2007, TCEQ transferred permits and registrations associated with the purchased assets from Eastman to Westlake. However, these were apparently overlooked during the transfer.

If you have any questions regarding this notification, please contact Mr. Kip Klee at 903-242-7871 or e-mail at kklee@westlake.com.
