Subject: Orange Shipbuilding Co., Inc. – Name Change

Dear Mr. Akers,

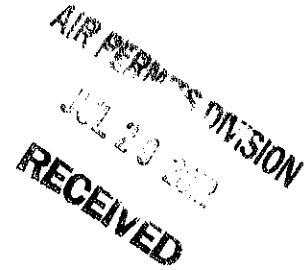

Orange Shipbuilding Co, Inc. has operated as a Conrad Industries Company since its purchase in 1998. At that time, Conrad chose to continue operations in Orange under the name of Orange Shipbuilding Co., Inc. due to its long standing reputation and dedicated customer base.

Over the past fourteen years, Conrad has taken the knowledge, lessons and experience of each of its facilities and merged them throughout the Company. Now after fourteen years, we will be changing the name of our Orange, Texas facility to Conrad Orange Shipyard, Inc. We believe this to be the final step to align our facilities under the umbrella of Conrad Industries, and provide our customers with the highest level of consistent and quality service.

There is no action needed on your part and this change should be transparent. You will receive the same level of service, experience and dedication that you have come to expect of Conrad. We appreciate your continued confidence in our abilities and look forward to working with you on many future projects.

Sincerely,

Johnny Conrad

Robert,  
The forms I sent you will change an Air authorization only. A PBR is an Air authorization. A PI-7 and PI-7 Cert are the forms used to revise or create new air authorizations. If all you need to do at this time is change ownership, the forms I sent are the ones you use. If you have storm water authorizations or Industrial & Hazardous Waste, etc., you will need to contact them to change their authorizations. I'm not really sure what NESHAP is?? Did this help?
