Subject: Change of Ownership for Cameron International Corporation
Attachments: lrgw55@tceq.state.tx.us_20120411_093456.pdf; Cameron CDF.pdf

Roland,
The Change of Ownership for RN103062386 is attached.

I changed the RE Name at the AI level. Change of the RE name at the RE level is ok with Air. It is also ok to merge this RN, but I'm a little confused as to which RN you are merging it with, as three RNs: RN103062386 (which I just changed ownership for), RN103054755 (which has only IHW authorizations), and RN103788493 (which has a Stormwater authorization) have the same address (1910 E. Front (one says Ave. and two say St.)) in Electra. Maybe you are merging all three?

I wanted to let you know that I did not change the address, as the database would not accept the address...neither would the US Post Office. The email you sent out on Friday March 23, said, "she (the customer) has also submitted a Core Data form to change the physical address for RN103054755 to "1910 E Front St. Electra TX 78360" and..." My CDF says the address is 1910 WEST Front St., so you might want to check on this (see attached).

Thanks, Roland.

Subject: RE: Change of ownership for RN103054755

We are working on this. The original intent was to merge two existing facilities owned by Cameron into one as they are duplicates. Permitting required the change of ownership form even though the new customer was already in place. Now, Cameron has informed us that they have changed their name to Cameron International. This makes our request moot as we will have to re-submit everything under the new name and get a CN assigned to them. For now, just close this and we will start over with new forms. Thanks for your help.

Subject: Change of ownership for RN103054755

Ms. Quintana,
Sorry if you have gotten multiple emails...we have switched to Outlook this week and none of us know how to use it yet☺.
Sandra

Ms. Quintana,
I have received a change of ownership request for RN103054755, but I am not finding a secretary of state filing number for Cameron International Inc. Can you please give me that filing number so I can look them up.

I don't see a TCEQ Customer Number for Cameron International, Inc. here at TCEQ, so I will need for you to fill out the first page of the Core Data form, Section II Customer Information (5-21) so that I may have pertinent information about this company. Please be sure to include the secretary of state filing number. I also need an original signature on both the Core Data form and the Change of Ownership/Name form, so if you would please put those in the mail to me.

The database does not seem to have latitude and longitude for this facility, nor does it have a description of the primary business of this entity. Could you please also furnish that information on page 2 of the Core Data form.

If you have any questions, please feel free to contact me directly at the email address or phone number below. Thanks.

Charlene,
On the Core Data Form, you listed the effective date of change as 4/9/2010. On the Change of Name form, you listed the effective date of change as December 12, 2009. Please let me know which one you want. Thanks.

I'm attaching an updated Core Data Form and Change of Name/Ownership form signed by the Customer representative for the RN103062386. Now, you have two sets of forms, each with the Customer's signature. I hope this will be enough to facilitate this change.

Roland,

The word attachment is an unsigned CDF for an RN without Air permits. I told Charlene that I couldn't do anything with this RN; she needs to contact IHW to change ownership.

I never received the second CDF (the one that was a pdf) for RN103062386, but I did tell Charlene that I need an original, signed CDF and Change of Name/Ownership form (which I sent to her) for any ownership change. She put "name change" on this CDF, but it is an ownership change.

I just got an email from Charlene saying that she would get a signed CDF and Change of Name form from the customer. She does want the RNs merged though -- you can still do that, can't you?

Subject: RE: Merge Request for RN103054755

Charlene,

I'm confused. I have a Core Data Form that says "Correct RE Name, Update physical location address." It is for RN103054755. This RN has no Air Permits, so I cannot change anything on the RN. You will have to contact the permit holder (IHW).

If you have another RN that you would like to change ownership of, please let me know. I will need a signed (by the customer) Core Data Form and a signed Change of Name/Ownership form from the customer.

On one of the Change of Name/Ownership forms that I did receive, you listed "TCEQ Permit 3420." Could this be the Air Operating Permit on RN106021918, owned by Frio LaSalle Pipeline LP?

On the second Change of Name/Ownership form that I received, you listed "26819, 3430, WH0012W (an account number)." There is an active registration 26819 and an active permit 3430 on RN 103062386, owned by Natco Group, Inc. This account number does belong to this RN.

I do not have a Core Data Form for either of these RNs.

Let me know if I can help.

Thanks.
Sandra

Sandra, This has already been resolved. Johnny Bowers should have informed you of the work we are doing in conjunction with Roland Rodriguez of Central Registry. This is the reason the CDF and name change form were submitted to Air permits in this matter.

Charlene,

To merge RNs, the Region can send a request to Central Registry to merge the RNs and tell them why you want them merged. They will concur with all of the departments on the RNs and will either do it or not, depending on their answers. You can reach Central Registry at www-registry.

Hope this helps.

Charlene,

Johnny Bowers gave me the Core Data Form that you sent him. RN103054755 does not have any Air permits on it and, therefore, I cannot make any changes to the RN.

The Air Permits that you listed on the Change of Ownership form are on RN103062386, so if the company wants to send in forms for that RN, I can change the ownership of those permits (26819 & 3430). They are currently owned by NATCO Group Inc.

I will however need a set of original signatures on both forms. Thanks.
