Re: Pasadena Facility Laboratory  
Pasadena, Harris County

Dear Ms. Nichols:

This is in response to your letter dated August 1, 2000 concerning the proposed changes to the above-referenced facility. We understand that the modification involves the removal of the existing carbon canisters and the addition of a more common ducted system.

After evaluation of the information which you have furnished, we have determined that your proposed changes will still qualify for 30 Texas Administrative Code Section 106.122. On this basis, no changes in the permit by rule will be required. The information which you supplied will be incorporated into the registration file.

Your cooperation in this matter is appreciated. If you need further information or have any questions, please call Mr. Dario J. Hearn at (713) 767-3740 or write him at Texas Natural Resource Conservation Commission, Office of Permitting, Remediation, and Registration, Air Permits Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,

Duncan F. Stewart, P.E., Manager
