Dear Mr. Bruce:

Thank you for the letter dated April 28, 2008, notifying us of the ownership change. Your letter states that EnerVest Operating, LLC is now the Owner and Operator of the facilities listed above. The following air authorizations have been updated to reflect the transfers.

Permit/Reg. Numbers:	Permit/Reg. Expiration Dates:	County:	Previous Permittee/Registrant:
81179	N/A	Brazos	Anadarko E&P Company, LP
78341	March 29, 2016	Brazos	Anadarko E&P Company, LP
71229	March 18, 2014	Harrison	Brammer Engineering, Inc.
70314	N/A	Harrison	Brammer Engineering, Inc.
81180	N/A	Washington	E&P Company, LP

Our records indicate that Permit Number 81574, RN105197883 was not issued. Rowan Ind Cobb Unit No. 3, RN104442066 has been changed to the new company name; however, there are no air permits associated with the site.

I have enclosed our findings of the list of facilities Mr. Morgan Palmisano submitted stating EnerVest Operating, LLC did not own or have any affiliation to. If you do not concur with the information found, please provide written documentation for any discrepancies regarding ownership of these facilities to assist in resolution.

We understand that there will be no change in the type of pollutants emitted and no increase in the quantity of emissions. As the new permittee of the facility, you have committed to maintain compliance with all air quality regulations of the Texas Commission on Environmental Quality (TCEQ) and the requirements of this permit at all times.

Mr. Lloyd Bruce

Re: Transfer of Ownership

If you are a Title V federal operating permit holder, Title 30 Texas Administrative Code § 122.211 requires that changes to the permit identification of ownership or operational control of a site are administrative revisions to the permit. Such changes must be facilitated by a written agreement containing a specific date for transfer of permit responsibility, coverage, and liability between the old and new permit holder. This written agreement must be maintained with the permit.

In order to facilitate the administrative revision, please submit the following forms: OP-2 and OP-CR01. Also, make sure the information requested on form OP-1 sections I; II A and B; and VI is submitted in the revision application along with an indication of permit responsibility, coverage, and liability between the old and new permit holder.

Any questions regarding the administrative revision to the federal operating permit may be directed to Mr. Bernard Tupa at (512) 239-1150.

Thank you for informing us of this ownership change. If you have any questions regarding this letter, please feel free to contact me at (512) 239-4797.

Sincerely,

Brenda O'Brien

 Ms. Hickman,

As a follow up on our conversations of a couple of weeks ago, I am forwarding this correspondence to help clarify the information contained in the TCEQ databases. Based on my research of the TCEQ databases, the following are the only facilities which EnerVest Operating, L.L.C. currently own/operate and are contained in the TCEQ databases:

Facility	County	RN #	Permit #
James A. Ruppe Number 1 Production Facility	Harrison	RN104162508	71229 ✓
Ruppe/Fennell/Newman #1 Production Facility	Harrison	RN104006317	70314 ✓
Cobb Unit 1	Washington	RN105197883	81574 ✓
Eberle Unit 1	Washington	RN105169379	81180 ✓
Rotello Unit A1	Brazos	RN105169346	81179 ✓
Rowan Ind Cobb Unit No 3	Washington	RN104442066	
WB Keyser Unit No 1	Brazos	RN104909593	78341 ✓

site only ✓

To ensure that these facilities are properly recorded as being owned by EnerVest Operating, L.L.C., I recently submitted to the TCEQ- Air Permits Initial Review Team and the TCEQ- Central Registry the "Change of Name/Ownership Request Worksheet" and "TCEQ Core Data Form" for each of these facilities.

In addition, I have attached a list of facilities that EnerVest currently does not own or have an affiliation. While reviewing the TCEQ databases these facilities were shown to be affiliated with EnerVest. Upon discussing this matter with you, we discovered that some of these affiliations appeared to be current and/or incorrect. I am forwarding this information to assist in clarifying and correcting the information contained in the TCEQ databases. If you have any questions or require additional information, please do not hesitate to contact me. Thank you for all your kind consideration in this and all matters.
