Re: Chatfield Plant - Sand and Gravel Production
De Soto, Navarro County

Dear Mr. Windham:

This is in response to your letter dated May 8, 2000, concerning the operational use of the above referenced facility located near De Soto, Navarro County. We understand that this facility's production rate is 500 ton/hr or less.

After evaluation of the information which you have furnished, we have determined that your facility is exempt from permitting procedures under 30 Texas Administrative Code (TAC) Section 106.143 if constructed and operated as described in your registration request. This permit by rule was authorized by the Executive Director of the Texas Natural Resource Conservation Commission (TNRCC) pursuant to 30 TAC Chapter 106.

A copy of the permit by rule in effect at the time of this registration is enclosed. You must construct, install, or modify facilities in accordance with the version of the permit by rule in effect when construction, installation or modification actually begins (see 30 TAC Chapter 106.4[a][5]). After completion of construction, installation or modification, the facility shall be operated in compliance with the all applicable conditions of the claimed permits by rule and 30 TAC Chapter 106.4.

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all rules and regulations of the TNRCC and of the U.S. Environmental Protection Agency at all times.

Mr. Brian Windham
