Re: Permit No. 43047  
Space Vehicle Fuel Production  
and Engine Testing Site  
McGregor, McLennan County  
Account ID No. MB-0470-E

Dear Dr. Toor:

This is in response to your permit application, Form PI-1, concerning the above-referenced facility. This will acknowledge that your application for the above-referenced permit is technically complete as of January 5, 2000. We appreciate your cooperation in sending us the information necessary to evaluate your proposal.

A permit for your new facility is enclosed. The permit contains several general and special conditions that define the level of operation and allowable emissions. In addition, the construction and operation of the facilities must be as represented in the application. This permit will be in effect for ten years from the date of approval.

Thank you for your cooperation and interest in air pollution control. If you need further information or have any questions, please call Mr. John C. Gott, P.E., at (512) 239-1238 or write to him at the Texas Natural Resource Conservation Commission, Office of Permitting, Remediation, and Registration, Air Permits Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,

Jeffrey A. Saitas, P.E.  
Executive Director
