Re: Permit No. T-17786  
Diaper Manufacturing Facility  
Paris, Lamar County  
Account ID LA-0027-H

Dear Mr. Wright:

This is in response to your letter dated December 7, 1998 concerning the proposed installation of an additional fabric filter to an existing diaper line near Paris, Lamar County. After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under 30 Texas Administrative Code (TAC) Section 106.261 if constructed and operated as described in your letter. We understand that existing exhaust air from the training pant machines will be controlled by two fabric filter systems instead of one fabric filter.

This exemption was authorized by the Executive Director of the Texas Natural Resource Conservation Commission (TNRCC) pursuant to 30 TAC Chapter 106. A copy of the exemption in effect at the time of this determination is enclosed. You must operate in accordance with all requirements of the enclosed exemption.

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all rules and regulations of the TNRCC and of the U.S. Environmental

Protection Agency at all times.
