Re: Section 28 Powerscreen  
El Paso, El Paso County

Dear Ms. Epperson:

This is in response to your fax dated March 19, 1998 concerning the proposed sand and gravel production facility near El Paso, El Paso County. After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under 30 TAC Section 106.149 if constructed and operated as described in your fax.

This exemption was authorized by the Executive Director of the Texas Natural Resource Conservation Commission (TNRCC) pursuant to 30 TAC Chapter 106. A copy of the exemption in effect at the time of this determination is enclosed. You must operate in accordance with all requirements of the enclosed exemption.

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all rules and regulations of the TNRCC and of the U.S. Environmental Protection Agency at all times.

If you have any questions concerning this exemption, please call Mr. Michael Gould at (512) 239-1097 or write him at Texas Natural Resource Conservation Commission, Office of Air Quality, New Source Review Permits Division (MC-162), P.O. Box 13087, Austin, Texas 78711-3087.

Sincerely,

Gary I. Wallin, P.E.  
Manager, Mechanical Section  
New Source Review Permits Division
