Re: Metal Cleaning CLNR-1
Houston, Harris County
Account ID No. HG-1005-W

Dear Mr. Jameson:

This is in response to your letter dated April 2, 1996 concerning the proposed aqueous solutions used for the cleaning and preparation of panels. After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under Standard Exemption 41 if constructed and operated as described in your letter.

This standard exemption was authorized by the Executive Director of the Texas Natural Resource Conservation Commission (TNRCC) pursuant to 30 TAC Section 116.211(a) of Regulation VI. A copy of the exemption in effect at the time of this determination is enclosed. You must operate in accordance with all requirements of the enclosed standard exemption.

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all air quality rules and regulations of the TNRCC and of the U.S. Environmental Protection Agency at all times.

Mr. John Jameson
