Bishop, Texas 78343

Re: Cotton Gin
Bishop, Nueces County
Account ID No. NE-0098-V

Dear Mr. Hendricks:

This is in response to your letter dated June 14, 1995 concerning the proposed replacement of the burr hopper and cyclones. We understand that this modification will not result in any new fan exhausts or increases in emissions or throughputs. After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under Standard Exemption No. 111 if constructed and operated as described in your letter.

This standard exemption was authorized by the Executive Director pursuant to Texas Natural Resource Conservation Commission (TNRCC) Rule 116.211(a) of Regulation VI. A copy of the exemption in effect at the time of this determination is enclosed. You must operate in accordance with all requirements of the enclosed standard exemption.

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all air quality Rules and Regulations of the TNRCC and of the U.S. Environmental Protection Agency (EPA) at all times.

If you have any questions concerning this exemption, please contact Ms. Anna Rodriguez of our New Source Review Division at (512) 239-1307.

Sincerely,

Gary I. Wallin, P.E.
Manager, Mechanical Section
New Source Review Division (MC-162)
