Re: Circuit Board Manufacturing

Fort Worth, Tarrant County
Account ID No. TA-0244-M

Dear Mr. Hay:

This is in response to your letter dated April 5, 1995 concerning the proposed operation of a printed circuit board manufacturing facility. After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under Standard Exemption Nos. 5, 8, 39, 40, 75, and 107 if constructed and operated as described in your letter. These standard exemptions were authorized by the Executive Director pursuant to Texas Natural Resource Conservation Commission (TNRCC) Rule 116.211(a) of Regulation VI.

Copies of the exemptions in effect at the time of this determination are enclosed. You must operate in accordance with all requirements of the enclosed standard exemptions.

To avoid confusion in the future, please note that this letter verifies that you are eligible to claim the exemptions listed above at your facility with the street address 5555 North Beach. Your facilities at the same site with the street address of 5401 North Beach are authorized under Standard Exemption Registration Nos. 23087 (for Standard Exemption Nos. 5, 8, 34, 39, 40, 41, 75, 102, 106, and 107) and 28595 (for Standard Exemption No. 118).

You are reminded that regardless of whether a permit is required, these facilities must be in compliance with all air quality Rules and Regulations of the TNRCC and of the U.S. Environmental Protection Agency at all times.

Mr. Richard Hay
