Dear Mr. Mueller:

This is in response to your letter dated January 26, 1995 concerning the proposed modifications to your food manufacturing facility.

After evaluation of the information which you have furnished, we have determined that your project is exempt from the permit procedures under Standard Exemption Nos. 7 and 106 if constructed and operated as described in your letter. These standard exemptions were authorized by the Executive Director pursuant to Texas Natural Resource Conservation Commission (TNRCC) Rule 116.211(a) of Regulation VI.

Copies of the exemptions in effect at the time of this determination are enclosed. You must operate in accordance with all requirements of the enclosed standard exemptions.
