Re: **Notice of Composting Operation at:**  
**Nortex Feeders, Dallam County, Texas**  
**TCEQ ID No.: TXG921495**

To whom it may concern,

Nortex Feeders is currently operating under TCEQ CAFO General Permit TXG920000. The facility will be composting dead animals on-site as part as the facility's mortality management practices. The composted material may include dead animals, manure, waste feed and/or other appropriate materials generated on-site.

If you have any questions or require additional information, please let me know.

Sincerely,

Dillon Pool  
Enviro-Ag Engineering, Inc.
