Re: UST REMOVAL at **DAVES NAPA AUTO CARE, 801 W INTERSTATE 20, MIDLAND, TX 79701-2002**: Activity scheduled on 09/19/2018; TCEQ PST Facility No 48220; Notification Received by TCEQ on 09/04/2018.

Dear Sir:

This letter acknowledges receipt by the Texas Commission on Environmental Quality (TCEQ) of notification for the referenced underground storage tank (UST) construction activity, as required by 30 TAC '334.6.

This letter does not constitute an official approval, permit or endorsement for the referenced activity or for any associated construction methods or equipment. A copy of your notification has been sent to the TCEQ regional office indicated below. The time and scope of this activity must be confirmed with the regional UST personnel 24 to 72 hours before the activity in order to arrange an inspection. Any rescheduling of the proposed construction must be coordinated and/or approved by authorized regional personnel.

Technical requirements which apply to various UST construction activities are included in 30 TAC '334, Subchapter C. **Also, all UST installations, repairs, and removals must be conducted by a registered UST contractor who has a licensed installer or on-site supervisor at the site during all critical junctures, as required by 30 TAC Chapter 334, Subchapter I.**

*This letter also serves as a temporary delivery certificate to allow initial deliveries into any **new or replacement UST system, or the initial delivery into an UST system temporarily out-of-service under '334.54 for the purpose of returning to service.** This temporary delivery certificate is valid for no more than 90 days after the first delivery of regulated substances into the new or replacement UST system, after which a permanent TCEQ-issued delivery certificate must be posted or available at the UST facility.*

This action is taken under authority delegated by the Executive Director of the Texas Commission on Environmental Quality.

Upon completion of construction, the attached UST Registration form and Self-Certification form must be completed and returned to the referenced address on the form. For further assistance, please contact the PST Registration & Self-Certification Team, at (512)239-2160, or the TCEQ regional UST personnel indicated below.

Sincerely,
