B. Maximum Combined Rate: 0.33 cfs (150 gpm).

3. PRIORITY

The time priority of owner's right is 1964.

The locations of pertinent features related to this certificate are shown on Page 20 of the Pecan Bayou Watershed Certificates of Adjudication Maps, copies of which are located in the offices of the Texas Department of Water Resources and the office of the County Clerk.

This certificate of adjudication is issued subject to all terms, conditions and provisions in the final decree of the 35th District Court of Mills County, in Cause No. 3776, In Re: The Adjudication of Water Rights in the Pecan Bayou Water-

shed of the Colorado River Basin, dated September 14, 1979, and supersedes all rights of the owner or owners asserted in that cause.

This certificate of adjudication is issued subject to senior and superior water rights in the Colorado River Basin.

This certificate of adjudication is issued subject to the Rules of the Texas Department of Water Resources and its continuing right of supervision of State water resources consistent with the public policy of the State as set forth in the Texas Water Code.

This water right is appurtenant to the above-described land within which irrigation is authorized, unless and until severed from the land. A transfer of any portion of the above-described land includes, unless otherwise specified, that portion of the water right which is appurtenant to the transferred land at the time of the transaction.
