SPECIFIC COMMENTS

The TCEQ received the March 3, 2017 response, and has the following comments:

1. The response is not accepted in the format submitted.

Assessment results should be documented in an Assessment Report Form-Addendum, with updated Worksheets and Attachments from TCEQ Form 0562.

This form may be downloaded from the TCEQ website: https://www.tceq.texas.gov/cgi-bin/comm_exec/forms.pl

2. Based upon a preliminary review of the responses provided, it does not appear that all of the data requested in our January 15, 2016 letter was submitted.

Please completely address item nos. 4 and 10 in our January 15, 2016 letter.

All of the responses and data will be reviewed in conjunction with the ARF-Addendum.

3. Please note that all geoscientific work must be sealed by a licensed PG in accordance with the requirements of the Texas Board of Professional Geoscientists (TBPG).

For additional information regarding P.G. sealing requirements, please see the TBPG website: <http://tbpg.state.tx.us/enforcement/p-g-seal-requirement/>.

Reports which do not contain the required P.G. seals are considered administratively incomplete, and will not be approved.
