Dear Mr. El Rady:

The Texas Commission on Environmental Quality (TCEQ) has reviewed and accepted the above-referenced report. Based on the information provided, there are no water wells located within a 0.25 miles of the subject property, therefore private drinking water well owner notifications, in accordance with Texas Water Code (TWC) §26.408, are not necessary.

Should you have any questions, please contact me at (512) 239-2163 and reference the assigned LPST ID number. Your cooperation in this matter is appreciated.

Sincerely,

David Sanguinetti, Project Manager
