Dear Mr. Fultz:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the Drinking Water Survey Report, dated February 2, 2023, for the above-referenced site. Based on the information provided, there does not appear to be any private drinking water supply wells or public water supply wells within 0.25-mile of the site. Therefore, no notifications to water well owners pursuant to Texas Water Code (TWC) 26.408(b) or TWC 5.236 are required.

Please reference the LPST and PST Facility ID numbers on future correspondence regarding this site. Should you have any questions, please contact me at (512) 239-5695 or corbin.reyes@tceq.texas.gov. Your cooperation in this matter is appreciated.

Sincerely,
