Dear Mr. Khatry:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the Drinking Water Survey Report, dated January 5, 2024, for the above-referenced site. Based on the information provided, there does not appear to be any private drinking water supply wells or public water supply wells within 0.25-mile of the site. Therefore, no notifications to water well owners pursuant to Texas Water Code (TWC) 26.408(b) or TWC 5.236 are required.

Please reference the LPST and Facility ID numbers on future correspondence regarding this site. Should you have any questions, please contact me at (512) 239-2205 or rodney.bryant@tceq.texas.gov. Please reference the LPST ID number when making inquiries. Your cooperation in this matter is appreciated.

Sincerely,
