## Standard Permit General Information- Existing Reg Sites

|                                                                                                                                                                                                               |                           |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------|
| 1) Is this project for a change of representations or a renewal of the standard permit?                                                                                                                       | Change of Representations |
| 1.1. Is the registration being revised to represent the addition of a new facility?                                                                                                                           | No                        |
| 1.1.1. Is the registration being revised to represent any change in the method of control of emissions, a change in the character of the emissions, or an increase in the discharge of the various emissions? | Yes                       |
| 2) Will the revised/renewed facility meet all of the requirements of the standard permit?                                                                                                                     | Yes                       |

## Standard Permit Rule Amendment Information- Existing Sites

|                                                                                              |                            |
|----------------------------------------------------------------------------------------------|----------------------------|
| 1) Type of unit that is being registered                                                     | POLLUTION CONTROL PROJECTS |
| 1.1. Does the project result in any collateral increases of emissions?                       | Yes                        |
| 1.1.1. Will the NAAQS and/or impacts analysis be attached?                                   | Yes                        |
| 1.2. Will this project be received by the TCEQ within 180 days of the original registration? | Yes                        |

## Standard Permit Attachments

|                                                                                                                                         |                                                                                              |
|-----------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|
| 1) Please attach PI-1S, NAAQS analysis and/or impacts analysis if applicable, and all other required documents to complete the project. |                                                                                              |

## Expedite

1) Per Texas Health and Safety Code, Section 382.05155, does the applicant want to expedite the processing of this application? Yes

1.1. Can the applicant demonstrate that the purpose of this application will benefit the economy of this state or an area of this state? Yes

## Certification

The electronic signature below indicates that the Responsible Official has knowledge of the facts herein set forth and that the same are true, accurate, and complete to the best of my knowledge and belief. By this signature, the maximum emission rates listed on this certification reflect the maximum anticipated emissions due to the operation of this facility and all representations in this certification of emissions are conditions upon which the facilities and sources will operate. It is understood that it is unlawful to vary from these representations unless the certification is first revised. The signature certifies that to the best of the Responsible Officials knowledge and belief, the project will satisfy the conditions and limitations of the indicated exemption or permit by rule and the facility will operated in compliance with all regulations of the Texas Commission on Environmental Quality and with Federal U.S. Environmental Protection Agency regulations governing air pollution. The signature below certifies that, based on information and belief formed after reasonable inquiry, the statements and information above and contained in the attached document(s) are true, accurate, and complete. If you questions on how to fill out this form or about air quality permits. Please call (512) 239-1250. Individuals are entitled to request and review their personal information that the agency gathers on its forms.

1. I am Bradley J Cooley, the owner of the STEERS account ER101133.
2. I have the authority to sign this data on behalf of the applicant named above.
3. I have personally examined the foregoing and am familiar with its content and the content of any attachments, and based upon my personal knowledge and/or inquiry of any individual responsible for information contained herein, that this information is true, accurate, and complete.
4. I further certify that I have not violated any term in my TCEQ STEERS participation agreement and that I have no reason to believe that the confidentiality or use of my password has been compromised at any time.
5. I understand that use of my password constitutes an electronic signature legally equivalent to my written signature.
6. I also understand that the attestations of fact contained herein pertain to the implementation, oversight and enforcement of a state and/or federal environmental program and must be true and complete to the best of my knowledge.
7. I am aware that criminal penalties may be imposed for statements or omissions that I know or have reason to believe are untrue or misleading.
8. I am knowingly and intentionally signing Standard Permit for Existing Registration 174349.
9. My signature indicates that I am in agreement with the information on this form, and authorize its submittal to the TCEQ.
